

**Personal Information**

---

Name Linz, Teresa  
Address Wilhelm-Hauff-Weg 8, 71277 Rutesheim, Germany  
Telephone 0049 7152 54817  
E-Mail tlinz@uni-bonn.de  
Nationality German  
Date of Birth 28-12-1980

**Education**

---

11/2006-11/2009 (expected) Phd in Agricultural Economics, Center for Development Research, University of Bonn  
*Thesis: Sectoral Water Demand in the Middle Olifants sub-basin of South Africa*

10/2004-10/2006 University of Hohenheim: Master of Science "Agricultural Economics"  
*Thesis: A Risk Analysis for a Biogas Plant in Germany (grade: A)*

10/2003-09/2004 University of Hohenheim: Bachelor of Science "Agricultural Sciences"  
*Thesis: Kommunikationsstrategien des Lebensmitteleinzelhandels unter besonderer Berücksichtigung von Haushaltsprospekten (grade: B+)*

10/2001-09/2003 Technische Universität München in Weihenstephan:  
Agricultural Sciences: Vordiplom

**Internships and International Experience**

---

08/2007-11/2007 Field Research in South Africa, data collection

10/2006-11/2006 Internship at the permanent Representation of Bavaria at the EU in Brussels

03/2004-05/2004 Internship at the „Ministerio de la Producción“ in Córdoba, Argentina, processing of applications, processing of data with Excel

08/2003-10/2003 Internship at the office for animal and landscape ecology (Büro für Tier- und Landschaftsökologie) in Plochingen, working with GIS

09/2001/-10/2001 Agricultural Internship at the „Haupt- und Landgestüt Marbach“

10/2000-03/2001 Au-Pair in Lexington, Kentucky, USA; by living with a family with two little girls, I could strengthen my social competences and my ability to integrate.

### Language Skills

---

English	excellent writing, reading and verbal skills
French	good writing, reading and verbal skills
Spanish	good writing, reading and verbal skills

### Computer Skills

---

Software	MS Office Statistic programme Stata General Algebraic Modeling System (GAMS) Geographical Information System (GIS) ArcView
----------	---

### Social and Organizational Activities

---

05/04-16/04/2006	Participation at the „National Model United Nations „-Simulation conference in New York; students represent one member state in different UN committees.
2006	Tutor at the University for the Master Course “Resource Economics”
10/2005-09/2006	Student worker; processing of data (mainly in MS ACCESS), preparation of admission board meetings, processing of application questions
10/2003-09/2006	Member of the student riding group at the University; Organisation of the yearly riding competition in Marbach
02/2002-02/2003	House speaker of a student house; Organisation of meetings, parties and other social events
