

## CALL FOR PROPOSALS

### **WORKSHOPS, CONFERENCES, SCHOOLS, AND TRAINING COURSES IN ENVIRONMENTAL ECONOMICS**

EAERE invites proposals for workshops, conferences, schools, and training courses in any topic of interest to environmental economists.

The proposed events can fall within one of the following two categories:

Category A) Submitters have financial, organisational and scientific capacity and require the EAERE quality endorsement and/or marginal funding. Endorsed events will be presented as events organised “with the support of EAERE”; the EAERE logo will appear in the event documentation; and EAERE will circulate the announcements of supported activities through the EAERE informative channels (e-mailing lists, Newsletter, Website).

Category B) Submitters have financial capacity but lack in organisational and scientific capacity. In this case, EAERE would take the leadership for the organisational and scientific aspects of the event, which would be jointly organised by the submitter and EAERE.

Proposals should contain:

- A title and brief description (max. 500 words) of the event topic and its motivation.
- A description of target audience and expected number of participants.
- The event category (A or B).
- Any other information the submitter judges as relevant.

Proposals can be submitted at any time and are to be sent to [eaere@eaere.org](mailto:eaere@eaere.org). The EAERE Council will review proposals and take final decisions.
