The 2<sup>nd</sup> Congress of the East Asian Association of Environmental and Resource Economics  
2-4 February, 2012, Bandung - INDONESIA

The East Asian Association of Environmental and Resource Economics (EAAERE) is conducting its 2nd Annual Congress in Bandung, Indonesia on February 2-4, 2012. The congress will be hosted by the Faculty of Economics, Padjadjaran University. Selected papers will be presented in parallel sessions.

The association invites the submission of abstracts on theoretical or empirical work in any area of resource and environmental economics and management for consideration for the Congress Program. Abstracts will be grouped by themes. Please indicate the theme most suitable to your abstract from the selection below:

1. Sustainable Development
2. Food and Agriculture
3. Renewable Resources
4. Land and Water
5. Mining and Energy
6. Climate Change
7. Valuation
8. Pollution and Recycling
9. Environment and Development
10. Conservation, Biodiversity and Ecology
11. Policy instruments
12. Governance
13. Others

The abstract (max 1,000 words) must include the motivation for this research, the research questions, the methodology used and the research findings.

Abstracts should be submitted electronically through the abstract submissions page on the congress website ([www.eaaere2012.org](http://www.eaaere2012.org)).

**Abstract Submission Opens: 10 June 2011**  
**Deadline for Receipt of Abstracts: September 1, 2011**  
**Authors Notified of Acceptance by October 15, 2011**

Those whose abstracts accepted should submit their full papers and register to attend the conference by **December 1, 2011** in order for their paper to be included in the final program.

The Congress will feature approximately 200 participants from East Asia and beyond, in their capacities as researchers, professionals, policy makers, as well as international organisation representatives.

Please note that Bandung has been a popular tourist destination for more than four decades and made world history by hosting the first Asian-African Conference in 1955. Situated on a plateau in the beautiful Parahyangan mountains, Bandung's fresh mountain air and lush surroundings, its art-deco architecture and rich cultural heritage make it an exceptional Congress venue.

We look forward to seeing you in Bandung in 2012!
