Policy News

- At their March meeting, the European Council invited the Commission to present by the first quarter of 2019 a draft strategy for long-term EU greenhouse gas emissions reduction in accordance with the Paris Agreement, taking into account national plans. Read the final conclusions of the Council meeting [here](#).
- The European Commission has asked the Council for a mandate to negotiate an international Global Pact for the Environment on behalf of the European Union. See the press release [here](#).
