EAERE Membership Campaign 2025

EAERE is delighted to announce the launch of the 2025 membership campaign. Individual and institutional members are welcomed to renew or activate their annual or triennial EAERE membership. Benefits, costs and procedures are clearly indicated in the dedicated pages on EAERE's website.

EAERE

European Association
of Environmental and
Resource Economists

INDIVIDUAL MEMBERSHIP

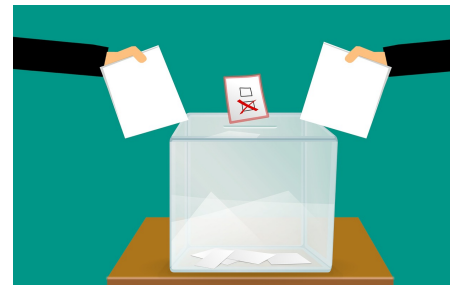

INSTITUTIONAL MEMBERSHIP

We take the opportunity to thank the individual and institutional members that supported the Association in the year 2024. EAERE belongs to its members, and your support was essential to bring together the community and enhance the relevance of the Association in the environmental and resource economics field. Thank you!

EAERE News

EAERE elections 2025: call for nominations for President and Council Members

In year 2025, EAERE members will vote for a President (who will join the Council as President-Elect in 2026-2027, serve as President in 2028-2029, and act as Past-President in 2030-2031), and two new members of the Council who will serve for four years beginning in 2026. If you have a candidate whom you would like to see nominated, please fill in the [nomination form](#) before **December 15th, 2024**. Have a look at the full call for the nominations criteria [here](#).

EAERE 2025: calls for Science-Policy-Business and thematic sessions

The **call for Science-Policy-Business sessions** and the **call for thematic sessions** for the 30th EAERE Annual Conference are now out! The submission deadline is January 31, 2025. Read the full calls and submit your proposals [here](#).

The call for papers is available [here](#). A limited number of grants for participation in EAERE 2025 are available. Check the rules and fill out your application [here](#). The application deadline is February 10, 2025.

EAERE Interdisciplinary School 2025: available places

On January 27-31, 2025 the first EAERE Interdisciplinary School will take place between Amsterdam (the Netherlands) and Antwerp (Belgium). The School will delve into the topic of Sustainable Energy and Chemistry through interdisciplinary lenses with an outstanding set of panelists. A few places are still available: interested PhD students and young postdocs are invited to **contact jan.brusselaers@vu.nl** and check the [School's website](#) for taking part in the School.

EAERE networks and members

EAERE Supported Event: UKNEE envecon 2025

The call for papers for the UK Network for Environmental Economists' (UKNEE) annual applied environmental economics conference, **envecon**, has recently been extended to the **end-of-the day this Sunday, 1st December**. We are glad to announce that envecon 2025 is an EAERE Supported Event. It will take place at the Royal Society in London on March 14, 2025. For submissions and details visit the [Conference's website](#).

WCEREA Session organised by LAERE at RIDGE Forum in December, 2024

LAERE will host a **WCEREA in-person session** on "Climate change, land use and biodiversity: economic perspectives" at the [RIDGE Workshop on Environmental Economics](#) on **December 19, 2024** at 14:00-15:30 Chile Time (UTC-3) at Banco Central de Chile, Santiago (Chile). The session will be chaired by Marcelo Caffera (Universidad de Montevideo) and will feature Allen Blackman (Inter-American Development Bank), Ana Maria Loboguerrero (Bill & Melinda Gates Foundation), Felipe Vásquez (Universidad del Desarrollo), María Teresa Ruiz-Tagle V. (CLG CHILE), Enrique Calfucura (Central Bank of Chile).

Deloitte Climate & Sustainability Competency Lab: first lecture on January 30, 2025

The new series of the [Deloitte Climate & Sustainability Competency Lab](#), a free online academy that aims to bridge the gap between science and the business community realised with EAERE's scientific support, will launch in January 2025. The first lecture will be held on **January 30th**, from 10.30 AM to 12 PM CET and focus on **"Food systems in the EU: how the EU policy landscape is transforming the agrifood sector"** featuring Lee Ann Jackson, Head of the Agro-food Trade and Markets Division in the OECD's Trade and Agriculture Directorate. [Register here](#) to attend the webinar.

EAERE Supported Event: IAERE Thirteen Annual Conference

We are glad to announce that the [IAERE Thirteen Annual Conference](#), which will be hosted by the **University of Roma Tre** on **February 20-21, 2025**, is an EAERE Supported Event. The two keynote lectures will be dedicated to the relation between climate change and the emergence of conflicts with Paola Vesco (Peace Research Institute Oslo and Uppsala University) and the global trend in sustainable finance for developing countries Antoine Godin (Agence Française de Développement).

ABM4Energy Conference 2025 in Copenhagen on March 31-April 1, 2025

The **ABM4Energy conference** on Agent-based Modeling for Energy Economics and Energy Policy will be held at the **Technical University of Denmark** in Copenhagen from **March 31 to April 1, 2025**. Participants are invited to present their ongoing research in the field of agent-based modeling for energy economics and energy policy. During the conference, a workshop session will allow participants to showcase and demonstrate their agent-based models. Submissions are welcome until December 13, 2024. More details are available on the [Conference's website](#).

VIU Spring School 2025 on Science Communication: call for applications

The second edition of the [VIU Spring School "Equipping Researchers with Skills, Strategies and Confidence for Science Communication"](#) will be held at **Venice International University** on **March 31 - April 4, 2025**. The School draws upon the state-of-the-art of science communication literature as well as on relevant best practice in the field, combining lectures, exercises, simulations, discussions, case studies, and site visits. All participants will also have an opportunity to present their own research. Applications must be submitted by January 15, 2025.

CMCC Fellowship Programs for junior and senior researchers

The CMCC - Euro-Mediterranean Center on Climate Change Foundation offers fellowship opportunities in climate science, climate resilience, and climate economics. Fellows will be hosted at one of CMCC sites across Italy, working closely with one of the three CMCC Research Institutes. Applications for the Fellowship Program are accepted year-round. Discover

the [Marsili Fellowship Program](#) for young researchers and the [Bassi Fellowship Program](#) for senior researchers.

2025 International Energy Workshop: call for papers

The 43rd edition of the **International Energy Workshop (IEW)** will be hosted by the Research Institute of Innovative Technology for the Earth (RITE) in **Nara, Japan**, on **10-13 June 2025**. The IEW is a leading conference for the international energy modelling community. Researchers are invited to submit original papers with new and innovative insights on long-term energy transitions by February 1, 2025. For more details and submission please visit the [IEW 2025 webpage](#).

Policy News

EAERE at the 29th UNFCCC Conference of the Parties in Baku, Azerbaijan

EAERE delegation at COP29 in Baku took part to the Ministerial meeting on **“Empowering Interregional Partnerships for Circular Economy Transition: Towards a Climate Resilient and Sustainable Future via Resource-Efficiency”**. This high-level event provided a platform to discuss strategies for reducing resource dependency, fostering innovation, and promoting international cooperation to achieve global sustainability goals. Read the [full report](#) on EAERE's website.

Prominent EAERE's members joined the session on **“Mediterranean cooperation for innovative environment and resource governance”** at the United Nations Climate Change Global Innovation Hub Pavilion. The discussion presented MEDAERE, the Mediterranean Association of Environmental and Resource Economists, which could become a model of regional cooperation needed at the global level. Watch the session [here](#).

EAERE, SUR Lab Bocconi University and Ferrara University held an official side event on **“Design and promotion of integrated approaches for carbon neutral and resilient cities”** to explore and compare innovative urban approaches to driving carbon neutrality and enhancing climate resilience, showcasing a diverse range of strategies from around the world. Details of the events are available [here](#).

EAERE at IPCC: Scoping Meeting for the IPCC Sixth Assessment Report (AR7)

We are extremely delighted to announce that EAERE member [Valentina Bosetti](#), full professor at Bocconi University, senior scientist at CMCC and member of the EAERE's Policy Outreach Committee, has been appointed to take part to the [Scoping Meeting for the IPCC Sixth Assessment Report \(AR7\)](#). Warmest congratulations to Valentina from the entire EAERE Community!

University of Exeter Dragon Capital Chair in Biodiversity Economics: latest activities

Ben Groom, Dragon Capital Chair of Biodiversity Economics at Exeter University and EAERE's Policy Outreach Committee member, held a [workshop at the Vietnamese Ministry of Finance about natural capital and biodiversity](#) and spoke to the [UK Department for Environment, Food & Rural Affairs about environmental discounting and valuation of biodiversity](#). Dragon Capital Chair's post-doc Sarah Meier contributed to the ["State of Wildfires" report](#).

EAERE members' contribution to the 2024 CWON report

The 2024 World Bank Group's report **"The Changing Wealth of Nations - Revisiting the Measurement of Comprehensive Wealth"** is now out. EAERE's members Ben Groom, Moritz Drupp, Stefanie Onder, Daan van Soest and Sjaak Smulders contributed to chapter 4. Read the report [here](#).
