30th Annual Conference

EAERE 2025

NHH, Bergen, Norway

Registration for all is open!

We are delighted to inform you that **in-person and online registration** for **all participants** to the EAERE 2025 Conference is now open. You can register by June 13, 2025. Please note that registrations for in-person participation may close earlier when the maximum capacity is reached. Registration is on a first come, first served basis. We kindly remind you that early registration and registration for presenters and panelists in Science-Policy-Business will close today, April 30. Read the guidelines and register [here](#).

Logistics and practical information

- As availability of rooms is very limited, we strongly encourage you to proceed with your accommodation arrangements as soon as possible.
- Bergen is known for its variable and often unpredictable weather, with a good chance of rain. To stay comfortable and enjoy the event to the fullest, we kindly recommend bringing a **raincoat** and an **umbrella**. Let's be prepared and make the most of the Conference - rain or shine!
- Visit the [dedicated webpage](#) on the EAERE 2025 official website to check how to get to Bergen and move around the city.

2025 Interdisciplinary School: a great success!

The first edition of the EAERE Interdisciplinary School series co-organised by the Vrije University Amsterdam and the University of Antwerp was a great success. Held at the end of January 2025, the School explored the topic "Sustainable Energy and Chemistry" by alternating lectures from academics and industry or applied science experts. This format was greatly appreciated by students, who engaged in group works, presentations and networking events too. Stay tuned for upcoming insights about the next 2026 Interdisciplinary School!
