Endorse the EAERE Statement on
Academic and Research Freedom

www.eaere.org/statement-on-academic-and-research-freedom/

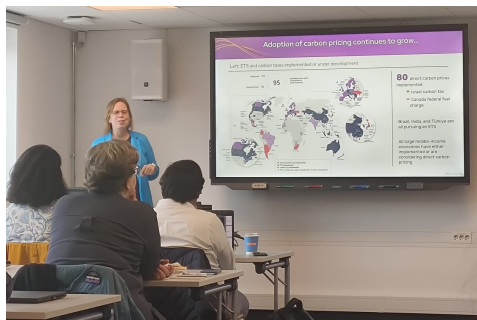

Academic freedom has been recently challenged in many countries and in different ways, including via legal or financial constraints on universities to influence their curriculum and research agenda. **Have you signed the [EAERE statement](#) in defence of academic and research freedom?** It has been written by the EAERE Council and Policy Outreach Committee - POC to reaffirm the crucial importance of the principles that underpin the free pursuit of knowledge. Each signature counts: endorse and share the statement. We appreciate your contribution.

Call for EAERE delegates at ECHA

EAERE is listed among [ECHA's \(European Chemical Agency\)](#) stakeholders organizations. The Agency, located in Helsinki, is the driving force among regulatory authorities in implementing the EU's groundbreaking chemicals legislation for the benefit of human health and the environment as well as for innovation and competitiveness. In its capacity as ECHA Stakeholder, EAERE can nominate delegates who represent it and who will be invited to join some of ECHA's activities, and in particular in the **ECHA Socio Economic Analysis Committee - SEAC**. Those members who are interested in becoming EAERE representatives can send their application to eaere@eaere.org, explaining the reasons of their interest. Nominations will be evaluated by the EAERE Council.

ECHA call for contact person to the Packaging and Packaging Waste Regulation

The **European Chemicals Agency - ECHA** invites nominations for a contact person to start contributing to the new [Packaging and Packaging Waste Regulation](#) that entered into force in February 2025. ECHA will reach out to the contact person to request information for a study identifying chemicals of concern in packaging and

assessing how these chemicals affect their safety, reuse and recycling (due by September 2026) and to keep them informed about events and other initiatives related to ECHA work under the regulation. Interested people who wish to be nominated are encouraged to contact the Secretariat at eaere@eaere.org by August 8, 2025.

EAERE delegation at IPBES 12

As an IPBES observer organisation, EAERE has the right to nominate a delegation to take part in **twelfth session of the Plenary of the Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services - IPBES 12**, which is planned to be held **from 3 to 8 February 2026** at Manchester Central, in Manchester (UK). The provisional agenda for the twelfth session of the Plenary is available on the IPBES website at [this link](#). All EAERE members interested in representing the Association as delegates at IPBES 12 are welcomed to submit their nomination to EAERE's Secretariat at eaere@eaere.org by November 10, 2025. Please do not hesitate to contact the Secretariat for any further information.

EAERE President Simone Borghesi invited speaker at an event at the Italian Senate

On July 15, 2025, EAERE President Simone Borghesi intervened as invited speaker in the workshop on “Environmental Credits and Climate Finance” held at the Italian Senate. The title of his intervention was “**Voluntary carbon markets: global economic scenarios, opportunities and challenges**”. The workshop promoted a dialogue between institutions, stakeholders and researchers to examine the potentialities and limitations of the environmental markets in achieving the European and national targets of decarbonization.

New publication on voluntary carbon market projects' credibility

A policy relevant publication about the voluntary carbon market has been recently published. The paper “**Restoring credibility in carbon offsets through systematic ex post evaluation**” is co-authored, among others, by EAERE members Philippe Delacote, Anna Creti, Ben Groom, Andreas Kontoleon, Tara L'Horty, Anouch Missirian. The paper explores how systematic ex post evaluations could restore credibility to certification schemes in the voluntary carbon market. The publication is available [here](#).

AE4RIA x 360info Science-Policy Briefs Series

The **Alliance of Excellence for Research and Innovation on Aeiphoria - AE4RIA** and **360info** are launching a new [Science-Policy Brief Series](#) aiming at making scientific knowledge more accessible and actionable for decision-makers, by translating cutting-edge research into concise, policy-relevant insights. Topics range from climate adaptation and energy security to AI, public health, and sustainable finance — all framed around the Sustainable Development Goals.
